To the Chief Executive Officer, Mayor and Councillors of Fraser Coast Regional Council

We, the undersigned, wish to express our STRONG OPPOSITION for the proposed development of the Fraser Coast Sports Precinct and have STRONG SUPPORT for a Council de-merger.

Local Government Act 2009 Chapter 7 Other provisions page 230 Current as at 1 March 2017; Authorised by the Parliamentary Counsel states under s268A "A local government may, in the way decided by the local government, conduct a voluntary poll of the electors in its area or a part of its area on any issue of concern to the area or part.

We, therefore request Fraser Coast Regional Council conduct 2 polls to gauge exactly what the community wants:

- 1. Referendum to put in abeyance the development of the Hervey Bay sports precinct and stop all further development of the above until the people have had their say
- 2. Referendum on the separation of the Maryborough Region (Tiaro, Woocoo shires) from Hervey Bay.
